# ACKNOWLEDGEMENT

---

No Art is ever complete without the Master artist's touches. And to the Master of Masters **BHAGAWAN SRI SATHYA SAI BABA**, I offer my deep sense of gratitude. The wonderful faculty in the school that are handpicked by HIM have been or pillars of support throughout this journey.

I would love to utilize this opportunity to offer my gratitude to the principal, **SHRI SIVARAMAKRISHNAIAH** for presenting me this wonderful opportunity which was filled with fun and learning at the same time.

A special vote of thanks is due to my Applied Mathematics teacher, **SHRI SAI KRISHNA MANOJ & SHRI SIVA KUMAR** for guiding me all along this wonderful saga of exploration and deep dive into this subject.

No journey can be smooth throughout and during the rough phases one needs to shoulder to rely on. And to those shoulders of my **family** and my **classmates**, I offer my deepest of thanks.
